Tools for Chefs

Griddle half ribbed code: 154946

Housing made of stainless steel.
The solid 8 mm thick hardened steel plate offers excellent heat retention.
Fitted with backsplashes and a removable drip tray.
Temperature stepless adjustable up to 300°C.
Overheating protection by means of a resettable thermal cutout.
Power switch with integrated indication lamp.
Fitted with non-slip feet. Griddle measures 518x330 mm and is half ribbed and half smooth.

- Temperature can be set up to 300°C
- The ribs allow fat to flow away from the food
- The solid hardened steel grill is easy to clean
- Convenient removable drip tray for collecting fat and scraps
- The grill can be cleaned with wire brushes and scrapers
