Features

- Produces up to 154 kg (340 lb) of ice per day.
- "Global Standard" 56 cm (22") slim-size width fits in most locations.
- Auto-alert indicator lights - external indicator lights provide operational information resulting in early alert and fast diagnosis of operating issues.
- Electroless nickel-plated evaporator surface - Reliable and front-facing: inspection and routine maintenance operations in a matter of minutes.
- Hand-removable water pump & water distribution tube- cleaning routine has never been so easy!
- Embedded antimicrobial - Ag-ION® antimicrobial protection inhibits bacteria growth extending effectiveness of regular manual cleaning
- External Components - Constructed from corrosion-resistant stainless steel crafted for optimal aesthetic appeal through superior fit and finish.
- Reusable air filter is hand-removable for ease of cleaning (air-cooled models only).
- CFC Free R-404a Refrigerant.
