

## Robot Coupe Cutter R 3-1500

|                    |            |
|--------------------|------------|
| Artikel nr.        | 22382      |
| Bruto prijs / stuk | € 1.660,00 |
| Netto prijs / stuk | € 1.580,00 |

### KENMERKEN

|                |                   |
|----------------|-------------------|
| Inhoud         | 3,7 liter         |
| Model          | Tafelmodel        |
| Snelheid       | 1500 RPM          |
| Puls functie   | Ja                |
| Gewicht        | 11 kg             |
| Materiaal kuip | RVS               |
| Garantie       | 1 Jaar            |
| Garantietype   | Carry-in garantie |

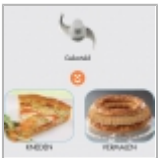

### AFMETINGEN

|         |        |
|---------|--------|
| Breedte | 210 mm |
| Diepte  | 320 mm |
| Hoogte  | 400 mm |

### AANSLUITING

|                  |          |
|------------------|----------|
| Aansluitspanning | 230 Volt |
| Aansluitwaarde   | 0,65 kW  |
| Frequentie       | 50 Hz    |

## Opties & accessoires

| Omschrijving                                                                                                                                                                                                                                                                                                                                                                                                                                   | Meerprijs                                                           |
