Opties & accessoires

Omschrijving	Meerprijs
Gekarteld mes (vermalen - gebak)	
 The image shows a Robot Coupe cutter with a grinding blade. Above the blade is a small icon of a hand holding a spoon. Below the blade are two small images: one showing a ground mixture and the other showing a baked good. The text 'Gekarteld' is written above the blade, and 'VERMALEN' and 'GEBAK' are written below the two images respectively.	Robot Coupe gekarteld mes - 27346 € 107,00
Getand mes (tuinkruiden - specerijen)	
 The image shows a Robot Coupe cutter with a grinding blade. Above the blade is a small icon of a hand holding a spoon. Below the blade are two small images: one showing ground herbs and the other showing ground spices. The text 'Getand' is written above the blade, and 'TUINKRUIDEN MALLEN' and 'SPECERIJEN MALLEN' are written below the two images respectively.	Robot Coupe getand mes - 27345 € 107,00
Bijkomend glad mes	
 The image shows a Robot Coupe cutter with a smooth blade. Above the blade is a small icon of a hand holding a spoon. Below the blade are three small images showing different food items: a vegetable, a fruit, and a meat product.	Robot Coupe bijkomend glad mes - 27344 € 89,00
Wandberging voor mes	
 The image shows a black metal wall-mounted holder for a Robot Coupe cutter. It has a rectangular body with a slot for the cutter and two legs for stability.	Robot Coupe accessoirehouder voor wandbevestiging 107810 € 30,00
